

THE INHEALTH EXPERIENCE

A HYBRID INTRODUCTORY LARYNGECTOMY COURSE: HANDS-ON TRAINING

Course Description:

This live, in-person hands-on course will provide training in tracheoesophageal prosthesis (TEP) evaluation and fitting. Attendees will learn side by side from experienced clinicians to fully evaluate patients with a laryngectomy including tracheoesophageal (TE) puncture, voice prosthesis fitting and placement, and stoma management, including pulmonary rehabilitation. Seven hours of ASHA continuing education are available for those who complete the hands-on course requirements.

This offering will focus exclusively on total laryngectomy products specific to InHealth Technologies® and will not include information on other similar or related total laryngectomy products.
