

Virtual Laryngectomy Conference

2020

Hosted by InHealth Technologies®

Managing Head and Neck Lymphedema and Fibrosis in the Post-Laryngectomy Setting

This lecture will introduce and discuss HNC treatment induced lymphedema and post radiation fibrosis. We will explore different etiologies, pathophysiology, assessments, and treatment options. We will also review current research and trends in management of lymphedema and fibrosis in the post-laryngectomy setting.

To register & view this lecture, visit:

WHEN

On-Demand viewing available:

Mon., November 16 8:00am EST through

Sat., November 21 11:59pm EST

TIME-ORDERED AGENDA

00:00 – 05:00: Introduction

05:00 – 20:00: Normal anatomy & physiology, etiology & prevalence of lymphedema & fibrosis

20:00 – 35:00: Pathophysiology, brief assessments

35:00 – 50:00: Treatment, case examples

50:00 – 60:00: Conclusion

LEARNING OBJECTIVES

The participant will be able to describe etiologies of lymphedema and fibrosis.

The participant will be able to identify the functional impact of lymphedema and fibrosis on patients following total laryngectomy.

The participant will be able to describe current trends in lymphedema and fibrosis management.

PRESENTER

Holly McMillan, M.C.D., CCC-SLP, LMP, CLT

Holly McMillan M.C.D. CCC-SLP, LMP, CLT is a Senior Speech Language Pathologist and Co-Director of Trismus Clinic at the University of Texas MD Anderson Cancer Center. She is a doctoral student at the University of Texas School of Public Health, a licensed massage therapist, and certified lymphedema therapist with expertise in oncology and head and neck cancer rehabilitation. Ms. McMillan regularly lectures on applications of manual therapy for head and neck cancer rehabilitation and serves as lead clinician on active NIH funded clinical trials examining manual therapy for late effect dysphagia in head and neck cancer survivorship.

Financial Disclosures: Ms. McMillan is an employee of MD Anderson Cancer Center and receives an institutional salary.

Non-Financial Disclosures: Ms. McMillan has no relevant non-financial relationships to disclose.

MODERATED BY

Eliza Peoples, M.S., CCC-SLP

Clinical Specialist, InHealth Technologies

Financial Disclosures: Ms. Peoples is an employee of InHealth Technologies.

Non-Financial Disclosures: Ms. Peoples has no relevant non-financial relationships to disclose.
